

QUESTIONS ABOUT COOL?

(Country of Origin Labeling Laws)

YOUR ANSWER 840 CoolTags™ manufactured by Destron Fearing qualify for Country of Origin Labeling (COOL), are considered “safe harbor” by the USDA, say “born in the USA,” and can be used to support and manage your other programs. No paper affidavits to complete.

HOW TO ORDER:

Contact your Local Animal Supply provider with the number of CoolTags™ you want to order.

Once your animal supply provider submits order to Destron Fearing you will receive your COOL Compliant tags in 5 to 10 business days.*

FOUR OPTIONS:

High Quality Fade Resistant Tags.

PANEL TAGS—MEDIUM OR EXTRA LARGE

- These tags are similar to tags you have used in the past. Difference – they have a 15 digit code that in essence says, “This Calf is Made in the USA.”
- Order them blank or with a printed management number.

ELECTRONIC RFID

- Use RFID technology to keep records and participate in a variety of Age and Source Programs.
- Combo tag allows RFID technology plus the convenience of a visual management number.
